### USAF Selects 370-Gallon External Fuel Tank

Word was received today at Sargent Fletcher Inc. (SFI) headquarters in El Monte, California, that the USAF has selected the SFI 370-Gallon External Fuel Tank to support mission requirements for the USAF F-16s.

In the largest external fuel tank award to Sargent Fletcher since 1992, the SFI contract is for the manufacture, test, and delivery of 248 370-Gallon external fuel tanks.

Sargent Fletcher Inc. is the sole-source supplier for the 370-Gallon External Fuel Tanks, which reflects a rich heritage in the external fuel tank industry. SFI has been designing, manufacturing, testing, and delivering fuel tanks since the 1940s. To date, SFI has delivered more than a million external fuel tanks, of which over 30,000 of the tanks were the 370-Gallon External Fuel Tanks delivered to support F-16 mission requirements.
